CLERK:     26 ayes, 0 nays on the motion to advance LB 16, Mr. President.

SPEAKER BARRETT: LB 16 is advanced to E & R Review. LB 17.

CLERK: LB 17 by Senator Marsh. (Read title.)

SPEAKER BARRETT: Senator Labedz.

SENATOR LABEDZ: Thank you, Mr. Speaker. LB 508 in 1985 rewrote the statutes on fraternal benefit society insurance. There were some references to fraternal beneficiary society and fraternal beneficiary associations that should be changed to fraternal benefit society. This needs to be done for consistency purposes and I urge the advancement of LB 17 to E & R Initial.

SPEAKER BARRETT: You have heard the motion to advance LB 17. Discussion? Seeing none, all those in favor of the motion please vote aye, those opposed nay. Please vote. Have you all voted? Senator Rupp, Senator Withem, may we have a little help, please. Please vote. Thank you. Please record.

CLERK: 28 ayes, 0 nays, Mr. President, on the motion to advance LB 17.

SPEAKER BARRETT: LB 17 is moved to E & R. LB 18.

CLERK: LB 18 by Senator Marsh. (Read title.)

SPEAKER BARRETT: Senator Labedz.

SENATOR LABEDZ: Thank you, Mr. Speaker. I think the both of us, Mr. Speaker, are losing some votes very quickly so we will try to be as brief as possible and urge the senators to remain on the floor so that we can get these bills taken care of. LB 79.12,145 provided that funding for the Nebraska Mathematics and Science Teacher Tuition Assistance Act was to be provided from the School Weatherization Fund until July, 1986. Now that we are in 1987, this provision is no longer needed and I urge the advancement of LB 18.

SPEAKER BARRETT: You have heard the motion to advance LB 18. Discussion? If not, all in favor of the motion please vote aye,
